

ASHVADTECH

Frontend Developer Assessment

Fresher Hiring Assignment

Duration	8 Hours
Technology	HTML5 • CSS3 • JavaScript (ES6)
Resources	Google • ChatGPT • MDN • Stack Overflow

Assessment Overview

Thank you for participating in the AshvadTech Frontend Developer Assessment. This assessment evaluates your understanding of HTML, CSS, JavaScript, responsive design and problem-solving skills.

Module	Duration
HTML	1 Hour 30 Minutes
CSS	2 Hours
JavaScript	2 Hours 10 Minutes
Final Project	2 Hours
Testing & Submission	20 Minutes
Total	8 Hours

Instructions & Submission

- Use Google, ChatGPT, MDN, Stack Overflow and official documentation if required.
- Your submission should reflect your understanding. Be prepared to explain your code during discussion.
- Create a folder named **Firstname_Lastname_Frontend_Assignment**.
- Upload the folder to Google Drive and share a view-only link.
- Include a README.md with project setup instructions.
